Engine

The rugged 443cc 4-stroke SOHC engine comes liquid cooled and features electronic fuel injection (EFI). Responsive and fuel efficient, this engine is ready to go to work on and off the trail.

Cargo Box with Mat

Built for versatile applications, the utility cargo box comes equipped with a dump assist shock and a 441 lb. (200 kg) load capacity. Additionally, the cargo box is outfitted with a contoured bed mat giving the cargo space added grip and protection.

2WD/4WD with Front Differential Lock

Automatic CV transmission featuring high and low range, neutral, and reverse. Being fully sealed and vented, engine braking ensures ceaseless performance in the fiercest terrain. Standard on all Magnum 500 models, the electronic 2wd/4wd with front differential lock provides on demand traction when you need it the most.

Hitch & Towing Capacity

The 2" rear receiver hitch is backed by a 1,200 lb. (546 kg) towing capacity making it the perfect workhorse for both recreation and utility applications.

Suspension

Independent double a-arm front and rear suspensions offering 6.9" (176 mm) of travel in the front and 6.8" (172 mm) of travel in the rear react instantaneously with the adjustable preload shocks to deliver a comfortable and consistent operator experience every time you ride.

Instrumentation

Digital instrument panel with odometer, speedometer, tripmeter, RPM, transmission position, 2wd/4wd/ lock indicator, fuel gauge, temperature, low-battery, high beam and check engine lights.
